GOVERNMENT ACKNOWLEDGES CATHOLIC BISHOPS' PASTORAL LETTER

The pastoral letter by Catholic Bishops in Malawi has been received by Government with appreciation, wisdom and humility.

We acknowledge some cited challenges and remain determined to use the bishops' wisdom to continue building on the progress the country is making.

We also trust that we will continue praying for each other and our beloved country, Malawi.

As government, we will not engage in item by item response with the clergy in public. Instead, we will not get tired utilizing the engagements that we do have with the clergy from time to time.
